REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Manning Primary School is “Wild About Learning.” Our school’s mission is educating children. During the 2013-14 school year, Manning Primary School focused on building positive relationships among faculty, parents and students and ensuring optimum achievement for all students.

Manning Primary offered several instructional programs to meet the needs of its 456 second and third grade students. A 21st Century Grant served approximately 70 students through after-school and summer school programs. There are 21 technology classrooms which are utilized by teachers to enhance instruction and curriculum. A computer assisted instructional program, Classworks, provides our students with extra support in their areas of academic weakness. The Measure of Academic Progress computer assessment was administered 3 times during the year. Data from this assessment was used by classroom teachers to ensure quality instruction for our students. This data was also used to identify students to receive additional instruction in the areas of math and reading through the employment of additional interventionists. A summer school program for our rising second and third graders will enrich their academic skills. Rigorous curriculum alignment in second and third grade was accomplished through the use of common assessments in the areas of reading, math and social studies. Data from these assessments was used to identify those curriculum indicators that needed to be retaught in order to ensure mastery. Weekly grade level meetings were held to keep instruction aligned to the common core state standards.

Manning Primary has numerous programs to meet the needs of the “whole child.” We were actively involved with several community agencies. Clarendon Behavioral Health Services and Clarendon County Mental Health offered counseling for our students. Our district also employed an on-site behavior interventionist. Character education was addressed daily through our morning show, outside marquee, posters, and banners reminding us of our character trait for the month. A mentor program was initiated to provide our students with positive role models. These mentors give guidance and individual attention. Our students have access to the Smiles Dental Clinic. Manning Primary students have the opportunity to participate in the Clarendon Christian Learning center. We have a host of community volunteers. We have foster grandparents who are an integral part of our life at Mannning Primary School. Our local Rotary Club donated dictionaries for every third grade student. Our business partners, Bojangle's and Arvin Meritor, provided monetary contributions and incentives for various family-oriented activities.

Through the years, Manning Primary School has garnered numerous awards and accomplishments and has been recognized for “Closing the Achievement Gap” among sub groups in 2002, 2003, and 2007. Our school received the Silver Award in 2005 and 2010 and the Palmetto Gold Award in 2006. MPS is also a Red Carpet School. Manning Primary School has four National Board Certified Teachers. MPS is accredited by the Southern Association of Colleges and Schools.
